DECISION ON PETITION
UNDER 37 CFR 1.137(b)

The petition to revive under 37 CFR 1.137(b) filed 02 June 2005 in the above-captioned application is hereby **GRANTED** as follows:

Applicant's statement that "the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional" meets the requirements of 37 CFR 1.137(b)(3).

A review of the application file reveals that applicant has submitted the basic national fee and the requirements of 37 CFR 1.137(b) have been satisfied. Therefore, the request to revive the application abandoned under 35 U.S.C. 371(d) is granted as to the National stage in the United States of America.

However, a review of the declaration filed on 02 June 2005 reveals that the declaration is defective. Specifically, the declaration is illegible due to the facsimile/copying process. Therefore, a newly executed declaration of the inventor is required.

This application is being forwarded to the United States Designated/Elected Office (US/DO/EO) for continued processing including the issuance of a Notification of Missing Requirements (Form PCT/DO/EO/905) indicating that an oath or declaration is required.
